## Growing Strong Schools: Building Strong Futures.

*By Mrs. Tracy Donich, District Administrator*

We believe that strong schools help build strong communities. And we know that in addition to exceptional teaching and learning, building strong schools takes trust, communication, and a shared commitment to working together.

This fall, we are launching several new efforts to support student success, listen to our community, and make school-to-home communication easier. These steps are all part of our Strategic Plan, which includes commitments to collaboration, compassion, communication, equity, and having a growth mindset.

### Respecting Your Investment.

As a public school district, we take our financial responsibility to the community very seriously. We remain committed to being fiscally responsible stewards of taxpayer dollars, while offering meaningful programming for students and families.

### Listening to Our Community.

In October, we are sending out a short community survey to all district residents. Whether you have kids in school or not, we value your voice. This survey will help us understand your priorities and guide future decisions about our programs, services, and long-term planning.

At Trevor-Wilmot, our goal is to provide a safe, healthy, and responsible environment where students can learn and grow. With your continued support, I am confident we can meet today's challenges while building an even brighter future for our Timberwolves.

### Making Communication Easier.

We're excited to introduce ParentSquare, a new communication tool for families and staff. This upgrade is part of our strategic commitment to clear and consistent communication.

### Celebrating Student Success.

We are proud to share that last year our students outperformed the State average in reading and math. We attribute this to teachers implementing new strategies and materials, and enhanced intervention processes with progress monitoring throughout the school year. Our students are working hard, and I applaud our staff for helping them grow every year.

# TWC RECREATION & COMMUNITY SERVICES

Here's What's Coming up!

No Carve

NOVEMBER 14  
DECEMBER 11

## Supporting Trevor-Wilmot Families

We believe strong schools are built through strong relationships... with students, families, and our community. That's why we are proud to offer meaningful programs that connect, support, and uplift families right here in our district.

### Meet Our Family Engagement Liaison: Pangkong Fox

We're thrilled to introduce Pangkong Fox as our new District Family Engagement Liaison—a dedicated role focused entirely on supporting TWC families and strengthening communication between families and teachers. Whether you need help navigating the IEP process, want to better understand school resources, or just need a listening ear, Pangkong is here for you.

*"My goal is to help families feel welcome, informed, and empowered to take an active role in their child's education."* — Pangkong Fox, Family Engagement Liaison

### Wolf Pups 3-year-old Playgroup

Wolf Pups is our beloved playgroup designed for 3-year-olds who live in the Trevor-Wilmot School District. Through fun and engaging sessions filled with free play, crafts, snacks, and storytime, children develop critical social-emotional and early literacy skills.

Meets Mondays & Wednesdays, 1-2:30 PM beginning October 6

📍 Trevor-Wilmot School

☎️ Call 262-862-2356 to register

### Child Find: Ensuring Every Child Thrives

The Child Find program is our district's effort to locate, identify, and evaluate children ages 2½ to 5 who may benefit from special education services—even if they are not yet enrolled at Trevor-Wilmot. These free developmental screenings help ensure every child has access to the services and support they need to thrive.

#### 📅 2025-26 Child Find Dates:

November 12, 2025 | 1:00–2:30 PM and March 9, 2026 | 1:00–2:30 PM

📍 Trevor-Wilmot School District

☎️ Call 262-862-2356 to learn more or schedule your screening.

If you're a parent, grandparent, caregiver, or neighbor of a young child in our district, we invite you to explore these opportunities or visit our website to learn more. Your involvement makes Trevor-Wilmot School stronger!
