Our Strategy For Student Success

At Trevor-Wilmot, we offer a caring and safe environment and personal attention for all our learners. Our four strategic pillars provide guidance for our daily work to assure student success.

**Inspiring Student
Engagement &
Learning**

**Developing &
Retaining
Exceptional Staff**

**Connecting
School &
Community**

**Prioritizing
Operational
Excellence**

World Class Instruction at Trevor-Wilmot

Our personalized approach to instruction encourages family-student connections and supports individual student needs throughout their journey.

Meeting the Needs of All Students

Through a variety of educational programming opportunities, we strive meet the needs of all students. Homeroom teachers and special education teachers co-teach to provide enrichment and individual assistance to students. Students are supported with a variety of pupil services and a dedicated teacher is available for talented and/or gifted children.

Supporting the "Whole Child"

We support the whole child with programs such as "Leader In Me" and social and emotional learning to help students develop important life skills for high school, careers, and beyond.

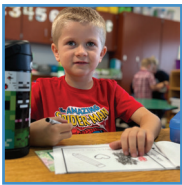

Quality Educators and Staff

All staff participate in a strong continuous improvement process which allows them to pursue their personalized, individualized growth goals. Our dedicated staff works collaboratively to improve our programs and services and provide the best educational experience for our students and families.

Academic & Co-Curricular Programming

We are proud to offer personalized instruction that encourages family-student connections, supports individual student needs and incorporates modern technology to enhance the design, implementation, and study of the curriculum.

Our School-Family Community of Learners

From Wolf Pups, a family involved playgroup to introduce three-year-olds to school, to class sizes that allow teachers and all staff to connect with students, Trevor-Wilmot provides a safe school experience for students in Pre-K to grade 8.

Exploring New Interests with Programming

In addition to our robust academic programming, students have access to a variety of courses including art, music (band and chorus), physical education, Project Lead the Way, Spanish, and technology courses including robotics and coding.

1:1 Technology for Student Learning

To enhance their learning, all students in kindergarten through 8th grade have access to their own technology device. Additionally, we provide online safety lessons to teach students to be safe, responsible and think critically when online.

Recreation & Community Services

The District prides itself on being the hub of the community. Community service funds support a variety of family and community events including pickleball, BINGO nights, and a gingerbread house building competition.

Co-Curricular Opportunities

We believe co-curricular activities are part of a well-rounded education, as they offer students the opportunity to apply academic skills in a real-world context. We offer our students with a variety of co-curricular and athletic activities including:

Activities

Pep Band
Chorus
Leadership Council
Math Team

Athletics

Basketball
Cross Country
Cheerleading

Softball
Track
Volleyball

You Are Welcome Here!

The Trevor-Wilmot Consolidated Grade School District is a PK-8 public school district dedicated to supporting all students in a safe and supportive academic environment.

We currently serve our students in a beautifully maintained facility that boasts class sizes that allow for personalized attention for each one of our students.

We learn and grow along with your children as the world changes every day. Our teaching staff are experts in their craft; they employ the latest technologies, resources, and strategies to help our students learn and grow as individuals and also members of a community.

Schedule a Visit

We understand the importance of selecting a school that meets the needs of your children and your family. Families who are interested in enrolling at Trevor-Wilmot are invited to visit our school, meet our staff, and talk with other parents and students.

We are happy to answer your questions about academic, co-curricular, social emotional programs, events or opportunities for children and families here at Trevor-Wilmot.
